Routine drive by inspection found a new shower stall installed on the East side of 63 East Shore Drive. Called the owners at 860-691-0835 @ 1300 to notify them of the violation and the need for removal since the setbacks were being violated on the East side. Owner has until 5/27 to decide his course of action before a Cease and Desist is issued. 5/24/10 Owner agrees to remove Shower enclosure.

Complaint received from the Association Manager about work being done on the South side of 48 East Shore Drive. Arrived at the sight to find two new lighting columns installed in the existing hedge. Reviewed the property file and found a previous survey map showing the property lines and hedge along the South boundary. The lights were installed on the Association property. Reached the GC and owner, informed them to stop this work and restore the site. Informed them to provide a landscaping plan for review and approval IF it meets the reg's. Went on vacation. Arrived back on 6/17/10 to find the lights removed and the shrubs replanted. The landscaping plan was not available and potential non-compliances were noted. Calls were made to the GC and NOT returned. CZC will be delayed until issue is resolved.

BPBC ZONING OFFICER  
MONTHLY REPORT 2010

1:09 PM 6/23/2010

On tour through the community work observed at 9 East Shore drive, observed work being performed without permits and apparently violated the Northern property line setback. Discussed the condition with the owner who stated he had a right to perform the work and was not going to Cease. Letter being prepared.
