

## Manager's Corner

Hello Black Pointers,

What a wonderful week to be in Black Point. So Grateful for Sun, Sand, & Sea.

It has been reported that the first jellyfish have arrived. I haven't seen any yet, but they're coming. It might not be a bad idea to keep a small plastic bottle of vinegar in your beach bag, it's the best remedy for a sting. Oh, and peeing on a jellyfish sting doesn't work, it will actually make things worse for the victim.

Mark your calendars, there are many fun family activities coming up. I hope to see you all at the Club Fair on August 15<sup>th</sup> as this is a new date. The 45th Annual BP Road Race is Saturday at 10am. Bingo Night on August 5<sup>th</sup>, Trivia Night on August 14<sup>th</sup> and the BP Golf Outing on August 19<sup>th</sup> is just a few weeks away. Please come out and support these great annual events.

On street parking continues to be a problem. Please remember on street parking is *Not Allowed* on any of our roads. Because our roads are so narrow, this type of parking creates a safety hazard. Parking on any of the grass Right Of Way are also prohibited. The Whitecap Parking Lot has ample space for overflow parking needs.

Have fun, stay safe, and you can find me at the beach, or just out and about. I can be reached on my cell phone immediately at (860) 460-7641 between the hours of 8am and 6pm. You may also email me at: [BPBCManager@gmail.com](mailto:BPBCManager@gmail.com).

See you on the beach,  
Jim Moffett

## Chair Corner

Hello Neighbors,

Just a few points of information this week so you can get right back to your vacation reading:

A copy of the application papers submitted to DEEP for the pier reconstruction is now available for members to read at the clubhouse.

The board will be soliciting applications for the position of treasurer in August. Please keep an eye on the BP web page for notice and job description in the coming weeks. I would like to thank Carolyn Boyle for agreeing to serve as interim treasurer during the spring and summer, when her expertise and knowledge of Black Point were particularly appreciated during these demanding months.

Lastly, the sand sculptures built by our clubgoers for the Sand Castle contest last week were delightful and imaginative, and I would like to commend the rec counselors for their gentle guidance and leadership with the young sand sculptors that evening.

Wishing you the best of summer days,

Cheryl Colangelo,

***Chair of the Board of Governors***
