SECTION XII – ZONING BOARD OF APPEALS

1. There shall be a Zoning Board of Appeals which shall be appointed by the Board of Governors of the Black Point Beach Club Association which shall have the following powers and duties:
 - a. To hear and decide on all matters, including an application for a variance, upon which is required to pass by the specific terms of these regulations or of any statute. The Zoning Board of Appeals may vary the application of the Zoning Regulations when it determines that such action is in harmony with their general purpose and intent, with due consideration for conserving the public health, safety, convenience, welfare and property values solely with respect to a parcel of land where, owing to conditions especially affecting such parcel, but not affecting generally the district in which it is situated, a literal enforcement of such regulation would result in an exceptional difficulty or unusual hardship so that substantial justice will be done and the public safety and welfare secured by granting the variance. In making a determination on a variance, the Zoning Board of Appeals shall include consideration of the following issues:
 1. The extent to which the applicant has demonstrated that exceptional shape, size, topography or other unique characteristic of the site requires a variance from a literal enforcement of the Zoning regulations.
 2. Whether the exceptional difficulty or unusual hardship claimed has been created by the owner or the person or persons requesting the variance.
 3. Whether the variance requested will adversely affect the neighborhood and whether they will be in harmony with the purpose and intent of the Zoning Regulation.
 4. Whether the applicant has shown that there is no reasonable alternative other than to grant the requested variance(s).
 5. Whether economic hardship is the only basis for requesting the variance.
 - b. To hear and decide appeals where it is alleged that there is an error in any order, requirement or decision made by the agent of the Black Point Beach Club Association Zoning Commission or any official in charge with the enforcement of the regulations.
 - c. The Zoning Board of Appeals will send a notice of the requested variance *or Zoning Enforcement Officer appeal* [of the property] and the time and date of the hearing at

- d. To adopt such rules and procedures as may be necessary to carry out these regulations.
- e. Notwithstanding the foregoing powers, no variance shall be granted which will permit in any district a use which is not permitted in that district.
- f. *In accordance with Connecticut General Statutes Section 8-6a, whenever an application for a variance is joined with an appeal of any order, requirement or decision of the Zoning Enforcement Officer, the Board shall decide the issues presented in the appeal before considering the variance application.*
- g. *The Board shall hold a public hearing, close such hearing, and render its decision on any application within the time limits imposed by Section 8-7d of the Connecticut General Statutes. The Board may reverse or affirm wholly or partly or may modify any order, requirement or decision appealed from, and make such order, requirement or decision as in its opinion should be made. When acting on an appeal from a decision of the Zoning Enforcement Officer, the Board shall have all the powers of such Officer, but only in accordance with Connecticut General Statutes '8-7, and only to the extent that the Board's actions deal directly with the subject of such appeal. Such order, requirement or decision, and any grant of any variance, may be subject to such conditions and restrictions as appear necessary to the Board in order to ensure that the granting of the application or petition shall be in harmony with the purposes of these Regulations, as set forth in the Preamble to these Regulations, and as set forth in Section 8-2 of the Connecticut General Statutes. In granting any variance, the Board shall describe specifically the exceptional difficulty or unusual hardship on which its decision is based, and why the granting of the variance is in harmony with the purposes of these Regulations.*
- h. *Any variance or exception in the use of buildings or land which is granted by the Board shall be placed upon the Land Records of the Town of East Lyme by recording a copy of the variance with the Town Clerk or as otherwise provided by the Connecticut General Statutes as amended.*
