**Note** Mr. Ventres reported a busy period with roofing permits and building demolitions. He addressed a complaint about a contractor damaging a lawn, which was resolved. He followed up on properties with long-standing building matters, including unregistered vehicles and boats. Letters were sent with a deadline for compliance. Non-compliance will result in cease-and-desist orders and potential legal action.

#### **4-3. Ex-Officio: Arlene Garrow**

**Note** Ms. Garrow had nothing to report.

#### **4-4. Chairman: Jim Fox**

**Note** Mr. Fox noted that the Annual Meeting will take place on May 24th, 2025, and acts as an official kickoff for the summer season. He will be giving a short zoning presentation.

### **5. Old Business**

#### **5-1. Review of current Zoning Regulations.**

**Note** The Commission continued their review of the current Zoning Regulations. Discussion centered on proposed language for business signage. The owner of the Black Point Market provided measurements of existing signage, which is below the proposed 10% of frontage face for signage. A suggestion was made and agreed upon for freestanding signs to be limited to six square feet. The language was modified to include the illumination of signs only being permitted during business hours.

**Note** Following the discussion from the previous zoning meeting, ground-mounted solar panels were added to the building area/building coverage regulations.

**Note** The discussion revisited the measurement of hedges at intersections. The current practice of measuring from the road was deemed adequate. A suggestion was made to include a note advising people of the town's right of way when planting hedges.

**Note** A discussion was held about the safety implications of hedges growing too close to the road, potentially limiting refuge areas for pedestrians and cyclists. While no immediate action was taken, an advisory in the newsletter was suggested.

### **6. New Business**

#### **6-1. Discussion of East Lyme Short Term Rental Report**

**Note** see report: [https://eltownhall.com/wp-content/uploads/2024/05/STR-Committee-Status-Report-4\\_24-final.pdf](https://eltownhall.com/wp-content/uploads/2024/05/STR-Committee-Status-Report-4_24-final.pdf)

**Note** The Commission reviewed recommendations from the town regarding short-term rentals.

**Note** The current regulation for Black Point limits rentals to a seven-day minimum.

**Note** The possibility of creating a registry of short-term rental properties was discussed. Concerns were raised about enforcement and whether a registry would be effective. The potential for insurance implications for property owners who rent out their homes was also mentioned.
