

# WELCOME BACK – SUMMER 2026

## Black Point Women's Club

We made it through the winter!! Now let's celebrate summer together! 🎉 This year is extra special as our country marks its 250th anniversary, and here at Black Point, we're ready for a season full of friendship, fun, and community spirit. We meet Tuesday evenings, but we're so much more than that. From Beach Bash support to clubhouse improvements (hello new high-top tables!), scholarships, and giving back through Care & Share...we're proud of what we do together.
