INSTRUCTIONS FOR ZONING PERMIT APPLICATION

Fill out the attached application completely. Please provide a permanent or winter address with the application if it differs from your summer address.

For "Description of Proposed Use" provide a description of the structure to be built. For example: construction of a garage, storage shed, fences, second story addition, etc.

Provide one (1) copy of the application form.

Provide three (3) copies of each of the following:

- A site plan showing lot dimensions, location of existing structures and location of proposed structures. This plan does not need to be to scale but must be complete and accurate. Include important dimensions on the plan such as distances to property lines.

- A building plan showing all dimensions including length, width, height, projections (bay windows, overhangs, etc.) and attached structures such as decks, stairs, etc. Deviation from this plan without prior approval from the Zoning Officer will result in revocation of the Zoning Permit. The plans for new houses and major revisions need to be the same plans to be presented to the East Lyme Building Department.

- An A-2 survey must accompany new house permit applications. The Zoning Officer may require surveys for other applications. "As-built" surveys, including location of overhangs, architectural projections, etc., may also be required upon completion of work.

Upon permit approval, the site plan and application signed by the Zoning Officer will be kept on file by the Zoning Officer, one (1) copy will be returned to the applicant and one (1) copy will be forwarded to the Building Official of the East Lyme, CT Building Department.
