

Story, Story Night!

Storyteller Registration:

Storyteller participants in the *Story, Story Night* program should be Black Point residents (male or female), or “honorary” guests nominated by a Black Pointer.

Seven storytellers will have 8 minutes (@ 800-900 words) to share their true-life experience. This time limit will be observed to keep the program to the 1.5 hours scheduled at the Black Point Clubhouse. A podium will be provided for notes. Storytellers will be responsible for their own A-V needs.

Story Topics:

We all have interesting stories to tell...from past childhood adventures...military remembrances...special travel experiences...college recollections...treasured family moments...career highlights...
